

Appendix to the ICPE Legislative Report Card 2018 (Revised 9/10/18)

Methodology for assigning grades:

A vote of “no” on four of the six bills used in this report card was considered a vote in support of public education and given one point per bill. A vote of “yes” on two of the six bills was considered a vote in support of public education and given one point per bill. The list of the six bills in the Legislative Report Card states how points were assigned to each bill.

Grades were assigned on the number of points on the following scale:

	If a legislator voted on all six bills	If a legislator voted on five of the six bills*
A =	5-6 points	5 points
B =	4 points	4 points
C =	3 points	3 points
D =	2 points	2 points
F =	0-1 points	0-1 points

Legislators who voted on too few bills to be evaluated were given an Incomplete (I).

NV in the list of all votes indicates the General Assembly member did not vote on that bill.

E on the list of all votes indicates the General Assembly member had an excused absence.

**Not being present for votes on SB30 (2017) and HB 1001 (2018) were not counted against legislators, since these bills had unanimous bi-partisan support.*
